2. It does not appear that the petr. has approached to Board of Rev. against the order of the Collr. evicting the encroachment of the petr. in S.No. 103/1A Shirur village, Condepur Tk, S. Kanara dist. The petr. seems to have sent a suit notice to the Collr. of S. Kanara against eviction proceedings. The Collr. will no doubt consider the question of staying eviction proceedings and take action on the suit notice. As the facts of the case are not known to consider whether there is any case for granting stay, it is for orders whether the telegram may be sent to the Collr. of S. Kanara for such action as he deems fit on it.
